## 2023/24 School Education Plan At-A-Glance

---

## This Year We Worked On:

- Improving Numeracy and Writing Instruction
- Improving student's attendance at school
- Building common understanding of our PBIS framework: Be Respectful, Be Responsible and Be Resilient

## You Can Help By:

- Talking to your child about what good writers do & modelling a positive self-image about math
- Scheduling vacations and times away during school holidays
- Asking your child how they are being respectful, responsible and resilient at school

## Next Year You Can Look Forward To:

- A continued focus on helping our students become prolific writers
- A continued desire to engage parents in volunteering in our school
- A commitment to communicate in a timely, effective way with parents

Information is based on our 2023/24 school education plan.
