are on target with projections. We have a	.S
	es
reserve balance of 2.5% (7.6 million) on our	
operating budget which is in line with the	
Government's request to main reserves	
between 1 and 3%. Most of the surplus is do	e to
higher revenue in Transportation and lower	
utilities and insurance expenses in operatio	S
and maintenance. The surplus in transporta	ion
will be used to cover the 2.1 M budgeted def	cit
in 2024/2025.	

- 4) Chestermere Student Accommodation is open. Despite receiving design funding approval for a K-9 school in Chestermere, the pressure on existing schools is still great. A working group conducted a review over the 2023/2024 school year and determined that changing grade levels at East Lake School and redesignating some communities to Rainbow Creek and Prairie Waters will alleviate some of the pressures. Administration has a consultation plan to engage the community through RVSEngage and an in-person meeting at Chestermere Lake Middle School tomorrow night at 6:30. Presentation 6:30-7:00 and small group table talk 7:00-8:00.
- 5) The RVS Learning Department provided an update to the Board on professional development opportunities presented to classroom staff and school administrators in 2023/2024 which support inclusion and diversity guidelines. Providing student-centered education that is inclusive, safe and supportive is one of RVS' multi year Strategic Plan.
- 6) Feedback was shared regarding the 2025/2026 and 2026/2027 School Calendars. Just slightly less than 30000 responses were collected. The 2025/2026 calendar was approved at the October 19th Board Meeting and is a traditional RVS calendar approach (there were 3 to choose from). A revised 2026/2027 calendar will come back to the board for consideration at a later date. The calendar will be posted to the website soon.
- 7) The Board approved their Advocacy Priorities Space for Students and Supports for Students for the current year.
- 8) Updates were made to the Student
 Transportation Policy 17 Student
 Transportation. No changes to service levels or current practices were made. The revised policy

- will take effect December 1st, 2024. Safety of students was a main focus of the policy.
- 9) Exemplary Practice Airdrie AE Bowers French Immersion Students (Grades 1 and 2) collaborated with Parks Canada to develop a tool which encourages users of the park to pick up after themselves. They designed a 3D garbage receptacle that attaches to picnic tables. They also made a bilingual music video for Parks Canada.
- 10) Exemplary Practice Mitford School teachers spoke to the Board about their 18-minute daily focus blocks they have implemented to improve students' numeracy and literacy. They follow a weekly cycle: Mon and Weds word study and vocabulary; Tues and Thurs number sense with targeted math skills and Fridays writing and making learning visible. Students advance in their own learning, and this aligns with Goal # 1 of our Education Plan advancing students' numeracy and literacy skills. Staff at the school are willing to share their techniques with interested RVS staff.
- 11) Student enrolment we have increased by 641 students this year. Of our 53 schools, 27 are either full or over full.
- 12) The Board has requested the Town of Cochrane provide service school site as previously agreed in the community of Horse Creek. The town has asked for an extension to 2029 but base on the MOU the town was to provide a serviced site at the end of 2024, and we have asked them to honour the date. The new High school in Cochrane is #6 on our Priority List for 2026.
- 13) Superintendent to retire at the End of School Year – Greg Luterbach announced he would retire at the end of the school year after 34 years of enriching the lives of students as an educator, administrator, and Superintendent. He has been in this position for more than eight years

and his dedication, guidance, and good humour will be missed by the Board and staff alike. 14) Changes coming to the Board as part of Fall 2025 Election Year. The Board approved one more trustee for the Cochrane area, as well as combining Wards 2 and 4 (Crossfield, Beiseker, Kathryn, Langdon and Indus and rural areas in between) The overall numbers of trustees remain at 8. The reason for the consultation was to address inequities in population numbers between wards due to growth in Airdrie, Cochrane and Chestermere. This will be in effect in October of 2025. 1. Elections – Sandi Harrower was elected new Admin Update 6 Chairperson, Lisa Gilchrist was elected new Vice-Chair and Nicki Black was elected new Secretary. Jared Featherstone was previously elected as Treasurer. New Directors were added. It is great to have all positions filled with excellent people. 2. Share SEP (School Education Plan) – Ryan outlined the four key school goals based on a variety of data points over the last few years. The goals are centred around numeracy and writing instruction, Positive Behavioural Intervention and Supports (PBIS) and Student engagement, purpose, and motivation. School Council will sign off on the Plan and then will be accessible on the website. Updates will occur in December and April outlining progress. 3. Bus Expectations - RVS has created new expectations for students on the bus with visuals consistent with school PBIS visuals. Chris will be teaching a consistent message to all students about positive behaviour on the bus throughout the year. The bus is an extension of the school and classroom. 4. Other: Book Fair coming up next week. All parents are invited to Snow White on Oct 30th and Remembrance Day Assembly on Nov 8th. Students were lucky to have Blackfoot Elder Saa'kokoto join them last week for storytelling and learning about Blackfoot history and culture. He will return many more times this year. Many clubs are up and running. A parent is

		advocating to RVS County Reeve Al Schule for
		sidewalks on the South side of the school along 4 th
		Street similar to the North side. Info to come.
7	Chair Update	There was a motion to budget \$300 for November Three
		Way Conferences to provide staff with dinner which
		was approved.
		There was discussion about budgeting a small amount
		of money for food for School Council meetings. We will
		revisit this conversation next meeting.
8	Treasurer Update	Budget is in good shape. We voted to add a \$1000.00
		yearly expense for theatre performances. The \$260
		contribution from RVS and \$500 potential grant now
		visible in budget. There is approximately \$18 000 in
		savings. Awaiting receipts from teacher purchases for
		classroom library books.
9	Upcoming Events	October 30 – Quest Theatre: Snow White (hosted by SC)
		October 31 – Halloween Dress Up
		November 4-8 – Book Fair
		November 8 – Remembrance Day Assembly
		November 19 & 21 – 3 Way Conferences
10	Old Business	N/A
11	FoSTES Update	FundScript fundraiser to start soon where parents can
		buy gift cards to many different places and the school
		receives a percentage of sales. There is aproximatley
		\$9000 in main account and \$41 307 in Casino Account.
12	New Business	Sidewalk paving update. Potential Dance at STS
13	Adjournment	2:26
14	Next Meeting	December 9, 2024, at 1:15pm
