

Thompson Telegraph

At Sarah Thompson School we nurture relationships, agency, belonging, and inclusion to cultivate academic success and personal wellness for everyone.

Remembrance Day Ceremony

We hope you enjoyed our Remembrance Day Ceremony. We would like to thank everyone who was able to attend the assembly. Thank you goes to our special guest, Veteran Chief Petty Officer Dave Haines from Strathmore, for sharing his thoughts and experiences, and to RCMP Corporal Ryan Prouse. Thank you to Mrs. Goll, Mrs. Mackie and Mrs. Crooks, and all the students and staff who participated in creating a wonderful production. Through the Veteran's Poppy fundraiser, the school raised \$546.00 for the Legion.

Veteran's Food Bank

Thanks to everyone who brought in non-perishable food items to support the Calgary and Area Veteran's Food Bank. Having students participate in events like this helps increase their Global Citizenship, as students are taught to believe in their capacity to make a difference in their community. In total, \$357 pounds of food was donated. For more information about our **local** food bank, how to donate, or access their services please click [here](#) to visit their website.

Scholastic Bookfair

Even though the book fair did not coincide with our conferences, we are pleased to announce it was still a huge success and would like to thank our families for supporting it. All proceeds raised from this fundraiser directly benefit students at Sarah Thompson in the form of new books, games, self-regulation tools such as alternate seating, noise reducing headphones, fidgets, etc. and other resources for the classroom and Learning Commons. Thank you again for your continued support.

3 Way Conferences

We genuinely thank everyone for taking the time to connect with your child's teacher during 3 Way Conferences November 19th and 21st. We hope you found the time meaningful and were able to celebrate your child's successes. If you were unable to connect with your child's teacher during conferences, please remember that you can reach out to them at any time. In addition, if at any time you have questions about the curriculum (what kids are being taught or how), we strongly encourage families to seek understanding, not through social media, but by contacting us here at the school. Thanks for your continued support and interest in your child's education!

Students in 1/2W, 2B, 3/4M, 4N and 4/5R are busy preparing for this year's Christmas Concert, "Antlers." Parents are invited to attend a performance on December 11th at either 1:00 or 6:00. We expect a large number of parents to attend and typically, the evening performance is much busier. Therefore, if you are able to attend the afternoon performance that would be appreciated so we can spread the attendance more evenly among the two performance times. Please only attend one performance. We look forward to future performances from our Grade 1's, 3's, and 5's later this year.
